Gentlemen:

As previously reported, the inspection and correction work of the hydraulic system has been completed.

Bechtel wishes to extend our appreciation for your cooperation and efforts of Mr. Mario Vigna in helping to resolve the problems associated with the hydraulic system. Mario assisted in a positive and professional manner that was very helpful in resolving the problem.

Bechtel concludes that Saipem has satisfied all the requirements of Mechanical Completion.

With reference to your request for Change Notice to cover costs related to Mr. Mario Vigna's visit, please be advised that a decision will be taken only after analyzing the inspection reports.

Regards,
